

# CARE LEADERSHIP & MANAGEMENT

## LEVEL 5

This Level 5 Diploma in **Leadership for Health & Social care** (adults' residential management pathway) Apprenticeship is aimed at managers and senior practitioners working in health and social care. This framework will provide you with guidance and assesses your knowledge, understanding and skills in leadership and management within the health and social care

### WHAT DOES THE QUALIFICATION COVER?

This Level 5 Diploma in Leadership for Health & Social care includes a variety of units including the mandatory units below;

- Use and develop systems that promote communication
- Promote professional development
- Champion equality, diversity and inclusion
- Develop health and safety and risk management policies, procedures and practices in health and social care settings
- Work in partnership in health and social care settings
- Lead and manage a team within a health and social care or setting
- Develop professional supervision practice in health and social care work setting
- Undertake a research project within services for health and social care
- Manage health and social care practice to ensure positive outcomes for individuals
- Safeguarding and protection of vulnerable adults
- Understand safeguarding of children and young people for those working in the adult sector
- Lead person centred practice
- Lead and manage group living for adults

### HOW WILL IT BE DELIVERED?

The apprenticeship can be delivered in a classroom setting to a cohort of learners or on an individual 1-1 basis to meet the needs of the employer and learner. Our blended learning approach supports the inclusion of additional elements of learning relevant to the individuals job role and specific employer requirements

Training will be delivered in line with the agreed Commitment Statement and will include:

- A robust initial assessment covering English and maths.
- Monthly 1-1 meetings between the apprentice and the trainer

### DURATION

The guided learning hours (GLH) for this qualification are 505.

### MANDATORY QUALIFICATIONS

- Level 2 in English and Maths
- Level 5 Diploma in Leadership for Health & Social care (adults' residential management pathway)

- Tri-partite meetings every 12 weeks between the employer, learner and trainer to review progress and review the 'off the job' training elements.
- Learner progress is recorded via our e-learning platform, which gives access to a broad range of online courses and materials.
- The employer can access the learners e-portfolio using their own log in to check on progress.

Once the learner has completed the appropriate functional skills and the employer, learner and trainer agree that the apprentice has reached the required standard in their knowledge, skills and experience, the learner will be put forward for their EPA.

## END POINT ASSESSMENT

The end-point assessment is designed to enable apprentices to demonstrate that they are fully conversant in the skills, knowledge and behaviours expected of individuals at this level. It is designed to provide the independent assessor with a holistic view of the apprentice, and allow them to assess to what extent the apprentice meets or exceeds the apprenticeship standard.

The end-point assessment will consist of:

- Situational judgement test
- Professional Discussion
