

## Level 4

# Lead Practitioner in Adult Care

**TYPICAL DURATION: 18 MONTHS**

### Role Profile

The Lead Practitioner in Adult Care guides and motivates team members to make a positive difference in the lives of people facing challenges. They are recognised as a leader within the team, contribute to a values-based culture, and have specialist skills in care needs assessment, therapy, rehabilitation, and care technology. They work in various settings, including residential or nursing homes, domiciliary care, day centres, or clinical healthcare settings.

### Additional Requirements

English and maths qualifications must be completed in line with the apprenticeship funding rules

Level 4 Diploma in Adult Care
