

## Level 2

# Adult Care Worker

**TYPICAL DURATION: 12 MONTHS**

### Role Profile

Adult care workers provide support to individuals facing various challenges, helping them to achieve personal goals and live independently and safely. Job roles may include working in domiciliary care, day centres, nursing homes, residential care, or healthcare settings. Personal assistants work directly for one individual, usually in their own home. This is a rewarding and worthwhile job that provides excellent career opportunities.

### Course Content

During their apprenticeship, individuals gain skills, knowledge, and behaviours in their chosen role and industry. This includes working professionally, promoting health and wellbeing, safeguarding, clear and responsible communication, respecting human rights, and understanding their job role responsibilities.

### Further Information

Learners will be required to undertake the Enhanced Disclosure and Barring Service process and provide the result prior to starting.
