

Level 2

Cleaning Hygiene Operative

TYPICAL DURATION: 12 MONTHS

Role Profile

The occupation of cleaning and hygiene operatives involves specialised cleaning techniques to maintain safety and hygiene standards in various workplaces. These operatives work independently or as part of a team, reporting to a cleaning supervisor or service leader, and may operate during and outside normal working hours.

Available Pathways

Healthcare Pathway: Work in healthcare settings like hospitals and care homes to maintain cleanliness levels, prevent the spread of bacteria and viruses, and follow National Healthcare Cleaning Standards.

Commerical Pathway: Operate in various settings like food premises, hotels, and offices, focusing on thorough cleaning for safety and hygiene to prevent the spread of micro-organisms and bacteria.

Course Content

During their apprenticeship, individuals gain skills, knowledge, and behaviours in their chosen role and industry. This includes Core occupation duties and specialised duties relating to the Healthcare or Commerical Pathway.
