Apprenticeship Prospectus

Growing Potential for ALL

About Us

Steadfast Training Ltd, established in 2005, holds Ofsted Grade 2 'Good' and Matrix accreditation. In 2018, we achieved Chartered Status for Further Education, a rare accolade. We offer tailored apprenticeship training solutions by highly qualified industry specialists. Our focus is on upskilling your employees through accredited leadership qualifications.

Upskilling involves developing employees' existing skills, benefiting both individuals and businesses. Steadfast Training emphasises apprenticeships for hands-on learning. We prioritise delivering high-quality training, ensuring a healthy return on investment for employers. Our team provides clear guidance on apprenticeship benefits and offers a wide range of qualifications for staff development.

Our Mission Statement

- To make the learning journey a valued, enjoyable and quality experience.
- To be flexible and responsive in all forms of employer engagement.
- To serve our partner employers by delivering nationally recognised, professional training and learning for the benefit of the individual, employer and service user.
- To ensure continuing improvement through our quality standards.
- Dedicated to minimising costs of maximising futures.
- To help job seekers in understanding their options and give them the knowledge and skill set to enter the work force with confidence.

Level 2

Early Years Practitioner

TYPICAL DURATION: 12 MONTHS

Role Profile

This role involves direct engagement with children across diverse settings like daycares, schools, and social care environments, to implement government-mandated Early Years Foundation Stage (EYFS) requirements for those aged birth to 5. Responsibilities encompass planning and conducting activities, collaborating with colleagues and professionals, ensuring the safety and well-being of children, and supporting their individualized learning and care needs. This position does not entail budgetary or leadership duties, but rather emphasises the nurturing and development of children within a supportive team environment.

Additional Requirements

English and maths qualifications must be completed in line with the apprenticeship funding rules

Course Content

During their apprenticeship, individuals gain skills, knowledge, and behaviours in their chosen role and industry. This includes duties such as;

- Work in partnership with other colleagues, parents and/or carers or other professionals to meet the individual needs of each child in line with company policies and procedures.
- Use play to support children to understand and encourage healthy life choices.
- Carryout self-reflection and use continuous professional development opportunities to improve practice.
- Undertake specific tasks related to the safety and hygiene of the children and the cleanliness of the setting.
- Support the wellbeing of all children including those with additional needs and disabilities.

Apprenticeship Assessment

This Apprenticeship has 2 assessment methods.

- Professional Discussion, underpinned by a portfolio of evidence
- Observation with Questioning

Level 3

Early Years Educator

TYPICAL DURATION: 18 MONTHS

Role Profile

This occupation involves providing high-quality early education and care for children from birth to age 5 in various settings. Early years educators follow the Early Years Foundation Stage (EYFS) requirements and interact with children, parents, carers, colleagues, and other professionals. They ensure a safe and inclusive learning environment, facilitate children's learning through play, and support children's progress and development through observation, assessment, and planning. They may act as the key person for one or more children and may play a leadership role under supervision.

Additional Requirements

English and maths qualifications may be required in line with the apprenticeship funding rules

Paediatric First Aid or Emergency Paediatric First Aid

Course Content

During their apprenticeship, individuals gain skills, knowledge, and behaviours in their chosen role and industry. Progression Routes

Leadership & Management

Level 2

Supply Chain Warehouse Operative

TYPICAL DURATION: 12 MONTHS

Role Profile

Warehouse Operatives work across sectors including Logistics, Retail, Manufacturing, Automotive, and Defence. They handle goods safely in and out of storage facilities, using mechanical equipment like forklifts and scanners. Duties include unloading deliveries, checking and storing stock, picking and packing orders, and preparing goods for dispatch. Work takes place in various-sized warehouses, often temperature-controlled, with shift patterns common. Operatives interact with supervisors, drivers, and other departments. Accuracy and safety are vital, especially when handling regulated products. A driving licence may be preferred due to warehouse locations on industrial estates.

Additional Requirements

English and maths qualifications must be completed in line with the apprenticeship funding rules

Course Content

This course equips warehouse operatives with the skills to maintain a safe working environment, inspect incoming and outgoing goods for accuracy and damage, and use mechanical handling equipment and PPE safely. It trains learners to store, move, and pick goods efficiently, support delivery operations, and comply with safety and regulatory standards.

Operatives will learn to record information using warehouse management systems, assist in stock-taking, and contribute to operational briefings. The course also promotes sustainable practices through packaging reduction and recycling, while ensuring accuracy, safety, and adherence to organisational procedures at every stage.

End Point Assessment

This Apprenticeship has 2 assessment methods.

- Interview underpinned by a portfolio of evidence
- Observation with questions

Typical Job Roles

Fork lift truck operator

Picker

Store person

Warehouse assistant

Warehouse operative

Warehouse person

Supply Chain Warehouse Operative

Level 4

Associate Project Manager

TYPICAL DURATION: 18 MONTHS

Role Profile

An Associate Project Manager plays a crucial role in overseeing project work and teams within businesses and organisations. They are tasked with ensuring effective planning, organisation, leadership, and management, while also possessing strong communication skills to facilitate seamless coordination. Collaborating closely with the project team, they strive to achieve the desired outcomes by leveraging resources with suitable expertise, experience, and qualifications, fostering a motivated and integrated team dynamic.

Qualifications

English and maths qualifications must be completed in line with the apprenticeship funding rules

Course Content

During the apprenticeship, individuals will acquire the necessary skills, knowledge, and behaviours for their chosen role and industry. This includes areas such as; Leading People, Managing People, Building Relationships, Communication, Decision Making, Finance, Project Management, and Organisational Management.

Apprenticeship Assessment

This Apprenticeship has 2 assessment methods.

- Written project report with presentation and questioning
- Professional Discussion underpinned by a portfolio of evidence

Typical Job Roles

Assistant Project Manager
Junior Project Manager
Project Team Leader
Associate Project Manager
Project Coordinator

Further Information

Upon commencement, apprentices may become student members of the Association for Project Management (APM) as the first step of professional membership.

Progression Routes

Operations Manager

Level 2

Production Chef

TYPICAL DURATION: 12 MONTHS

Role Profile

A Production Chef prepares and cooks food to standardised recipes and menus, often using mostly pre-prepared ingredients and producing dishes in high volumes. They work as part of a busy kitchen team, follow set operational procedures, and ensure dishes are delivered on time and to specification. Production Chefs support the smooth running of the kitchen by maintaining high standards of hygiene, food safety, and health and safety, while also considering sustainability and the needs of diverse customers, including those with specific dietary requirements.

Successful Production Chefs are organised, methodical, accurate, and able to work under pressure. They communicate effectively with colleagues, follow instructions carefully, and pay strong attention to detail to deliver consistent results. This course is suitable for individuals working in a wide variety of environments such as schools, hospitals, care homes, casual dining, the armed forces, and workplace catering.

Course Content

During the apprenticeship, individuals will gain the essential knowledge, skills, and behaviours required to work effectively as a Production Chef.

Learners will develop strong organisational skills, accuracy, attention to detail, and an understanding of sustainability and environmental best practice.

Apprenticeship Assessment

This Apprenticeship has 2 assessment methods.

- Interview underpinned by a portfolio of evidence

Qualifications

English and maths qualifications must be completed in line with the apprenticeship funding rules

Typical Job Roles

Chef

Junior Chef

Production Chef

Progression Routes

Senior Production Chef

Level 3

Senior Production Chef

TYPICAL DURATION: 12 MONTHS

Role Profile

A Senior Production Chef leads and supervises kitchen teams to deliver high-quality, consistent food in fast-paced and varied catering environments. They work in settings such as schools, hospitals, care homes, the Armed Forces, workplace catering, and high-street casual dining. Senior Production Chefs typically report to a Head Chef, Kitchen Manager, or other senior leader, and may act as the Head Chef in smaller establishments.

They are responsible for the day-to-day running of the kitchen service, ensuring dishes are produced to standardised recipes, quality expectations, and legislative requirements. Senior Production Chefs oversee the preparation of food to meet dietary needs, monitor food safety systems, supervise staff, and ensure efficient use of resources, equipment, and budgets. They contribute to continuous improvement by reducing waste, supporting cost control, improving productivity, and enhancing the customer experience.

Course Content

During the apprenticeship, individuals will develop the advanced knowledge, skills, and behaviours required to lead and supervise a production kitchen. The programme covers - supervising kitchen operations, producing and overseeing standardised menus and recipes, meeting specific dietary requirements, managing food safety and legislative requirements, resource management, people management and more.

By the end of the course, learners will have a strong understanding of what it takes to run an efficient, compliant, and high-performing kitchen, and will be equipped with the leadership skills and technical expertise needed to excel as a Senior Production Chef.

Qualifications

English and maths qualifications must be completed in line with the apprenticeship funding rules

Typical Job Roles

Senior Production Chef

Head chef

Kitchen Manager/Supervisor

Cook

OFSTED

Steadfast Training's Most Recent Ofsted Visit:

Steadfast Training has achieved a Good OFSTED rating following a comprehensive inspection in May 2023. The inspection was the first inspection carried out since the provider was judged to be good in September 2017. This provider continues to be good.

CIFE

The Chartered Institution for Further Education was established to highlight the excellence of further education and skills training providers. They do this by recognising and celebrating high achievement in this vital sector.

They are the membership body for Further Education colleges and training providers in the UK with exceptionally high standards.

Corporate Members of the Institution, which is the only Royal Chartered Body for Further Education, are able to influence and raise the professional status of the sector. Chartered status is a clear mark of excellence which shows potential new students and employers that an education provider is a centre of supreme quality in the areas of governance, leadership, professional development, teaching practice and community impact.

Steadfast Training is proud to announce that they were awarded Chartered Status in February 2017.
