Growing Potential for ALL

About Us

Steadfast Training Ltd, established in 2005, holds Ofsted Grade 2 'Good' and Matrix accreditation. In 2018, we achieved Chartered Status for Further Education, a rare accolade. We offer tailored apprenticeship training solutions by highly qualified industry specialists. Our focus is on upskilling your employees through accredited leadership qualifications.

Upskilling involves developing employees' existing skills, benefiting both individuals and businesses. Steadfast Training emphasises apprenticeships for hands-on learning. We prioritise delivering high-quality training, ensuring a healthy return on investment for employers. Our team provides clear guidance on apprenticeship benefits and offers a wide range of qualifications for staff development.

Our Mission Statement

- To make the learning journey a valued, enjoyable and quality experience.
- To be flexible and responsive in all forms of employer engagement.
- To serve our partner employers by delivering nationally recognised, professional training and learning for the benefit of the individual, employer and service user.
- To ensure continuing improvement through our quality standards.
- Dedicated to minimising costs of maximising futures.
- To help job seekers in understanding their options and give them the knowledge and skill set to enter the work force with confidence.

Growth & Skills Levy

Employers with an annual wage bill of £3 million or more contribute to the Growth & Skills Levy, funding apprenticeship training.

For those with a smaller wage bill, the government covers 95% of training fees. Our Apprenticeship Experts are ready to discuss funding and apprenticeship details with you.

OFSTED

Steadfast Training's Most Recent Ofsted Visit:

Steadfast Training has achieved a Good OFSTED rating following a comprehensive inspection in May 2023. The inspection was the first inspection carried out since the provider was judged to be good in September 2017. This provider continues to be good.

CIFE

The Chartered Institution for Further Education was established to highlight the excellence of further education and skills training providers. They do this by recognising and celebrating high achievement in this vital sector.

They are the membership body for Further Education colleges and training providers in the UK with exceptionally high standards.

Corporate Members of the Institution, which is the only Royal Chartered Body for Further Education, are able to influence and raise the professional status of the sector. Chartered status is a clear mark of excellence which shows potential new students and employers that an education provider is a centre of supreme quality in the areas of governance, leadership, professional development, teaching practice and community impact.

Steadfast Training is proud to announce that they were awarded Chartered Status in February 2017.

Level 2

Early Years Practitioner

TYPICAL DURATION: 12 MONTHS

Role Profile

This role involves direct engagement with children across diverse settings like day cares, schools, and social care environments, to implement government-mandated Early Years Foundation Stage (EYFS) requirements for those aged birth to 5. Responsibilities encompass planning and conducting activities, collaborating with colleagues and professionals, ensuring the safety and well-being of children, and supporting their individualised learning and care needs. This position does not entail budgetary or leadership duties, but rather emphasises the nurturing and development of children within a supportive team environment.

Additional Requirements

English and maths qualifications must be completed in line with the apprenticeship funding rules

Course Content

During their apprenticeship, individuals gain skills, knowledge, and behaviours in their chosen role and industry. This includes duties such as;

- Work in partnership with other colleagues, parents and/or carers or other professionals to meet the individual needs of each child in line with company policies and procedures.
- Use play to support children to understand and encourage healthy life choices.
- Carry out self-reflection and use continuous professional development opportunities to improve practice.
- Undertake specific tasks related to the safety and hygiene of the children and the cleanliness of the setting.
- Support the wellbeing of all children including those with additional needs and disabilities.

Apprenticeship Assessment

This Apprenticeship has 2 assessment methods.

- Professional discussion, underpinned by a portfolio of evidence
- Observation with Questioning

Level 3

Early Years Educator

TYPICAL DURATION: 18 MONTHS

Role Profile

This occupation involves providing high-quality early education and care for children from birth to age 5 in various settings. Early years educators follow the Early Years Foundation Stage (EYFS) requirements and interact with children, parents, carers, colleagues, and other professionals. They ensure a safe and inclusive learning environment, facilitate children's learning through play, and support children's progress and development through observation, assessment, and planning. They may act as the key person for one or more children and may play a leadership role under supervision.

Additional Requirements

English and maths qualifications may be required in line with the apprenticeship funding rules

Paediatric First Aid or Emergency Paediatric First Aid

Course Content

During their apprenticeship, individuals gain skills, knowledge, and behaviours in their chosen role and industry. This includes duties such as;

- Support children's learning and development through applying knowledge of pedagogy and the observation, assessment, and planning cycle.
- Provide respectful and responsive physical and emotional care to children, promoting health and wellbeing.
- Support the implementation of change to improve practice.
- Ensure compliance with Health and Safety legislation, policies, and procedures.

Early Years Lead Practitioner

Level 5

Early Years Lead Practitioner

TYPICAL DURATION: 24 MONTHS

Role Profile

The Early Lead Practitioner Course prepares childcare professionals for influential roles, focusing on operational leadership in the care, learning, and development of young children. Covering play-based learning, individual needs, inclusive provision, sector developments, and professional competencies, this course targets practitioners directly engaged with children. Completion ensures candidates are equipped to lead in communication, planning, forest school, physical activity, and nutrition.

Additional Requirements

English and maths qualifications must be completed in line with the apprenticeship funding rules

Apprentices will need to undertake the Disclosure and Barring Service process

Course Content

Throughout the apprenticeship, learners will develop knowledge and skills in:

- Child development and the factors that influence children's learning and wellbeing
- Supporting children's physical, emotional, social and communication development
- Play, learning and curriculum planning and more.

Apprenticeship Assessment

This Apprenticeship has 2 assessment methods.

Finance Manager

Further Information

Candidates will be eligible to become a Full Member of the Institute of School Business Leadership (ISBL) upon successful completion of the apprenticeship.

Level 2

Healthcare Support Worker

TYPICAL DURATION: 8 MONTHS

Role Profile

A Healthcare Support Worker plays an integral role in providing exceptional care to individuals while working as part of a team. They perform specific clinical duties and monitor the overall progress, comfort, and wellbeing of patients. In their daily work, an employee in this occupation interacts with patients, service users, carers and their families, healthcare professionals such as doctors and nurses and social care staff including registered managers.

Additional Requirements

English and maths qualifications must be completed in line with the apprenticeship funding rules

Course Content

During their apprenticeship, individuals gain skills, knowledge, and behaviours in their chosen role and industry. This includes some of the duties below:

- Monitor the health and well-being of individuals in your care
- Assist individuals to maximise their independence
- Record, report and store information related to individuals
- Act within the limits of own competence and within agreed ways of working, following the relevant local and national standards, policies and protocols used in the workplace
- Promote the health and wellbeing of individuals

Awarding Body

HABC

Level 3

Community Health & Wellbeing Worker

TYPICAL DURATION: 12 MONTHS

Role Profile

The Community Health and Wellbeing Worker Level 3 apprenticeship prepares individuals to work in partnership with people, communities and organisations to improve health outcomes, prevent ill-health and reduce inequalities.

Learners will develop the skills to support individuals using a holistic, person-centred approach that considers physical, mental, emotional and social wellbeing, while helping people access local services, resources and support networks.

Community Health and Wellbeing Workers collaborate with healthcare professionals, local authorities, charities and community groups to empower individuals and communities to address health challenges, build resilience and improve overall wellbeing.

Additional Requirements

English and maths qualifications must be completed in line with the apprenticeship funding rules

Course Content

Throughout the apprenticeship, learners will develop knowledge of health inequalities, the wider determinants of health, safeguarding, communication, behavioural science and community engagement. The programme covers partnership working, signposting and referral processes, supporting individuals and groups, promoting positive health and wellbeing, and understanding local services and community resources. Apprentices will also build skills in record keeping, data management, professional practice, equality and inclusion, and working collaboratively with organisations and communities to identify and respond to local health and wellbeing needs.

Apprenticeship Assessment

This Apprenticeship has 3 assessment methods.

- Multiple choice test
- Demonstration of practice
- Professional discussion underpinned by portfolio

Typical Job Roles

Care or service navigator

Community connector

Community health champion

Health trainer

Social prescribing link worker

Live well coach

Level 2 Adult Care Worker

TYPICAL DURATION: 12 MONTHS

Role Profile

Adult Care Workers provide frontline care and support to adults with a range of care needs in residential care, nursing homes, domiciliary care, day services, healthcare settings, and individuals' own homes. They help people achieve their personal goals, maintain independence, and live safely with dignity, choice, and control over their lives.

The role involves supporting personal care, mobility, nutrition, health and wellbeing, social inclusion, and emotional support. Adult Care Workers work closely with families, colleagues, and other professionals while promoting person-centred care, safeguarding, equality, and wellbeing.

Course Content

The Level 2 Adult Social Care Certificate equips learners with the essential knowledge and practical skills required to work confidently in adult social care. Some topics covered include:

- Person-centred care and support
- Safeguarding and duty of care
- Equality, diversity and inclusion
- Health, safety and infection prevention and control

Assessment is carried out through workplace observation and evidence of competence in a real care setting.

Level 2

Production Chef

TYPICAL DURATION: 12 MONTHS

Role Profile

A Production Chef prepares and cooks food to standardised recipes and menus, often using mostly pre-prepared ingredients and producing dishes in high volumes. They work as part of a busy kitchen team, follow set operational procedures, and ensure dishes are delivered on time and to specification. Production Chefs support the smooth running of the kitchen by maintaining high standards of hygiene, food safety, and health and safety, while also considering sustainability and the needs of diverse customers, including those with specific dietary requirements.

Successful Production Chefs are organised, methodical, accurate, and able to work under pressure. They communicate effectively with colleagues, follow instructions carefully, and pay strong attention to detail to deliver consistent results. This course is suitable for individuals working in a wide variety of environments such as schools, hospitals, care homes, casual dining, the armed forces, and workplace catering.

Course Content

During their apprenticeship, the individual will gain the skills, knowledge, and behaviours required for their chosen role and industry. Some areas include;

- Legislation and business standards for the storage of fresh, dried, tinned and frozen goods, following food safety procedures.
- Stock use and rotation methods that minimise waste.
- Undertake stock control, storage, and rotation.
- Communicate professionally with colleagues, line managers, stakeholders, and customers.
- Work as part of a team to support service delivery.

Apprenticeship Assessment

This Apprenticeship has 2 assessment methods.

- Interview underpinned by a portfolio of evidence
- Observation with questions

Additional Requirements

Level 4

Hospitality Manager

TYPICAL DURATION: 18 MONTHS

Role Profile

A Hospitality Manager leads teams and operations across a wide range of hospitality settings, including restaurants, cafés, bars, hotels, conference centres, banqueting venues and contract catering environments. They hold significant responsibility for delivering the business vision, meeting organisational objectives and ensuring exceptional customer experiences.

Hospitality Managers combine strong leadership, operational expertise and industry-specific knowledge to oversee day-to-day activities while motivating and developing their teams. They are highly organised, commercially aware and adept at managing people, resources and customer relationships. Above all, they thrive in a customer-facing environment, consistently striving to exceed expectations.
